The Dean's Message

Kyla K. Rosenberger
BM, MM, CAGO

Dear FWAGO Members,
I hope you are enjoying the change of weather and everything that goes with the fall season. This month our chapter event is casual, relaxed and funny, too! Please take time to bring friends and neighbors and yourself to the silent movie, *Girl Shy*, on Thursday, November 12 at University Christian Church. This 1924 romantic comedy features the fabulously talented star of the 20's, Harold Lloyd. Perhaps you know people who would not care to attend a classical organ con-

cert. They know you are an organist, don't know much about church music and may quip about you playing for baseball games. Well, they will love and be amazed by the organ style and original music of Tom Helms, the accompanist. Personally, I'm in awe of organists who can compose themes for characters and keep up with non-stop film capers of every mood. It was a delight to hear Kiyo Watanabe accompany a short movie for our chapter in September and now we have the privilege of experiencing a full-length feature. Tom Helms lives in Pensacola, Florida but knows our area well because he graduated from TCU. He is active in all types of organ music and is an organ builder. Tom studied with some of the last theater organists from the golden age of silent films and is especially known for accompanying *Phantom of the Opera* over 30 years at the Alabama Theatre. American silent movies of the early 1900's had a rich tradition

of orchestral and organ accompaniment. Let's celebrate the huge role our instrument played in entertaining the masses. Popcorn, ice cream, and lemonade will be served at 6:30 p.m. *Girl Shy* begins at 7:00 p.m. I hope to see you there on November 12 when the Dan Garland organ transforms into a Mighty Wurlitzer!

Cheers,
Kyla Rosenberger, CAGO

2015/2016 AGO GET ACQUAINTED EVENTS

What we do at “Get Acquainted” sessions?

We get to know each other better, that’s the best part.

We meet the host who presents the church’s organ, its history and something about their job; we’ve heard some amazing stories in the past.

We get introduced to an organ that maybe you’ve never played before, and a church you may have never been in. We hear new and old music played by our colleagues who are just as familiar/unfamiliar with the organ as we are. There is no obligation to perform, just come and enjoy listening to music for God’s glory.

Getting together is fun and we leave happy!

The format is this: meet, hear the organ, take turns, go have lunch.

If you are new to AGO, or if you haven’t visited with your fellow AGO members in a while, pick a date and join us. It’s a great way to make new friends or renew old connections.

Here is the schedule for the next meeting:

Wednesday, December 2, 2015

Trinity Lutheran Church

3621 Tulsa Way, Fort Worth, TX 76107

11 am – meet together, meet Dr. Laurence Furr, our host. Meet the tracker, a two manual Sipe restored by Dan Garland. The instrument is really nice and suitable for early music. It is a “Lutheran” organ; no romantic slush, just right for hymns, chorale preludes, preludes and fugues.

Please bring some music (4 or 5 minutes) to play, if you haven’t played on a tracker, this will be a fun experience.

Afterwards Dutch lunch in Cultural District

Church is behind McDonalds’s on **Camp Bowie** and **Montgomery**, parking is on the south side of church.
