

ORGANS SERVED NOW OR IN PAST BY FORT WORTH AGO CHAPTER'S ORGANISTS

(Last Updated: April 23, 2022)

The Fort Worth Chapter has members who are organists in the city of Fort Worth, other cities in the state, and some are outside of Texas.

This listing is in 2 main groups: (1) pipe organs & hybrid organs; (2) stand-alone electronic/digital organs

("Hybrid" organs listed are electronic/digital organs that have a substantial number of pipes that qualify as a stand-alone division.)

(The number of electronic "ranks" are not listed for pipe organs that have a few electronic stops in various divisions.)

("City" is in Texas unless otherwise noted)

This listing is comprised from information supplied by chapter members who on a regular basis play or who have played the organs.
